Good morning,

As per my conversation with the Security Office yesterday afternoon, your request was approved by mistake. The risk management team decided to decline the request. I am not aware of the reason why. For more information about your request, please contact the Security Office at ext. 3717.

Please note that Conference Services cannot process a request without the sponsor and/or the Security's approval.

Thank you

Best regards,

Veronique

To whom it may concern,

Please tell me which one of the below memos I should believe.

And if the event has indeed been declined, could you tell me why? (the item marked "reason" is blank).

thank you,

David Bernans
